## ERRATA SHEET

### KARST MODELING KWI Special Publication 5

August 9, 1999

- Page 76. Caption to Figure 5. Change "Höloch" to "Hölloch".
- Page 227, Figure 6. Add sentence to end of caption: "The entrenched river could also be an active subsurface conduit."
- Page 230, 5th paragraph, first sentence, third line. Delete the word "that".
- Page 232, caption for Figure 2. Caption should read "Time of travel and generalized flow paths to Maple Spring based on dye-tracing results, compared to delineated recharge areas based on hydrogeologic mapping."
- Page 245. A second author should be added. James C. Currens; Kentucky Geological Survey; Lexington, KY 40506.
- Page 256. The "8"s should be "•"s.

Corrections listed above are those known as of August 9, 1999. Please send additional corrections to Ira D. Sasowsky, KWI Vice-President for Communications ([ira.sasowsky@karstwaters.org](mailto:ira.sasowsky@karstwaters.org)).
